March 2010

Lynnette has had a busy time, we all know she found her ear ring, then she had her first Shoot-Out victory and celebrated her birthday last week, other birthdays were Elven and Brian.

John and Carolyn Appelbee have left on the big trip but not before they provided a beautiful morning tea. Carolyn just happened to have a farewell victory by carrying the new Pres. to a win Northcote golf club, West Coburg bowls and Coburg Table tennis club will miss them.

Des has returned from wherever he was to continue the battle of the Joke tellers. We think Bonny is getting outside help with her jokes, some come from my sister and Bendigo Rotary help her.

John with June's new bat [ Illegal ] combined with Bob to win a shoot-out, now flushed with success John who wants to be called Jack has been teaching Julie to serve. Sorry Elven and Kath but Julie has set a record, she was so late she missed morning tea and the shoot-out and we know how she loves the shoot-out. Kath has lost another title, Norma has beaten her small change record, It took Bruce 10 minutes to count it, there were pennies, half pennies and even a florin.

Congratulations to Clem and the new Pres. on their Premiership win in the Wednesday Super Series.

New members :- Anh pronounced Arn and his minder Hung pronounced Hoong who stroll down to court 9 and just hit the ball but they know when morning tea is on. Talking of morning tea, what has happened to Locho who provided a great morning tea and we have not seen him since. Anne has had one hit with us, hope she becomes a regular. Alan Clough has settled in nicely.

We love to help worthwhile causes, I drink cans to donate them to Bruce: - Norma has a group that collects used tea bags so help her out please.
