

Keen-Agers at Coburg Table Tennis Club. No2 January 2013.

SCURRILOUS is the K-A's word of the month. John App. used it to describe Bruce's write up of his behaviour. It sent Bruce & me to the dictionary. The word means grossly or indecently abusive remarks. Birthday' celebrations this month have been Ilhan, Clem, Bomber Cath, Hurriyet & Trish one plus a non-birthday cake from Julie, Trish & Kaye's Mum has been busy cooking for us again.

Shootout winners have been Julie & Luke who beat Caro & Charles. Luke's sister Haley said he will have to improve to beat her. Neil & Patsy beat Des J & John Alder. Nice dance Patsy. Bomber Cath & George were beaten by Bert & Werribee Ted. Pleasing to see Bert being a winner, it must have been his early AM walk down Sydney Rd. Latest Winners were Trevor & George who beat Trish one & Luke. Not a good dance exhibition & George was not as colourful as usual.

Australia Day came early for us Tennis fans with Lleyton H. winning at Kooyong & Carolyn App.'s FAVOURITE Tennis player Bernard Tomic winning in Sydney. Our own Santa Claus John M. is going to sue Serena Williams for stealing his hair style.

A special mention to Bill McM, Duncan, & Mario who made Kath C's. day by allowing her to play with the good players. Her words not mine. Bill McM's game has improved with him now wearing glasses. Good to see Jan back for a hit & Trevor & Werribee Ted made welcome returns.

The Clubrooms look magnificent, a great effort by Bruce & his back up team; let us make sure we do our bit to keep it clean & tidy. We hope Peter P. is on the mend after a sick Christmas & our card will get him back playing again.

We are trying to return some money found last Friday; if no one claims it we may have to put it on Alan C's new horse. Slingo is doing a recycling course but being a Bomber supporter he is making heavy weather of it: First lesson: If the bin is full, don't bring it back inside.

Well done & thanks Collin & Bruce; now we have my Newsletters on the Coburg web site.

The visit from Irene went well. Bruce did the taxi job, I would not get out of the vehicle when I heard Millie the mutt. Irene did not shut up for the whole trip. We made her play in the Shootout but her partner played badly & she did not have her own bat.
