

Keen-Agers at Coburg Table Tennis Club.
January 2013.

Welcome to the New Year.

The 2012 Keen-Ager player of the year is Neil Roberts. Congratulations on a fine year. Neil's play at the end of the year was sensational. A feature of his table tennis was that he was always prepared to have a hit & help any Keen-Ager. Let's hope the students at the Kilmore International College appreciate his Trophy.

What a Christmas break-up we had:

Once again the K-A's provided food & more food; enough leftovers to feed the Friday night & Saturday morning players. Thanks again Bonny; Thanks Carolyn & John A. who cooked anything that was near them. The BBQed TT balls were not popular.

The suit wearing Alan C. was impressed with his BBQ meat.

Well done Cathy 3 & Bruce who arranged a leave pass for Irene from Rehab. Bruce took Irene on a scenic tour of North Fitzroy & past her house. Never one to complain Bruce maintains he went over 557 Speed humps & 89 Roundabouts.

While all this was going on, I was left in charge & had to keep the hungry T T players away from the food; all was forgiven when our choir sang: "Happy Birthday Tony" to me.

It was great to welcome John & June O'Brien they both looked very well, June just keeps looking younger & younger.

Bob Watters & Phil M were also welcome visitors. Bill Sibbison had his first hit for many, many years & showed that good players never lose their ability.

During the Christmas closure the Keen-Agers employed a painter at a huge cost to repaint the white lines on the steps to the courts.

But guess who stepped on my wet paint?
