

## Keen-Agers. March Issue.

Shootout Winners: - The new Grandmother Ellen & Des. Jones beat Bomber Cath & Kevin. Nancy & Duncan 14 beat Sam & Bert. Bill McM. & Mervyn Beat Bomber C. & ilhan. Julie & Alan, C. were very lucky to beat Bob [knee] & Tony [hip]. The huge crowd thought we were dancing but we were only hobbling off the court. The latest winners were Irene & Duncan 14 who beat Clem & Bill McM. Irene modestly admitted that she carried Duncan. Nice to see the victory Dance was really old time ballroom dancing.

Peter P. is back having a hit. Keith & Silvie made welcome re-appearances & Brian Busby had his first hit for the year John V. made one of his rare visits & yes; we did miss you ilhan, Elvin was lost without you. Bruce made a farewell holiday speech to John M. who will be missing for months, it was a sad occasion & there were misty eyes but John said "I have to go through this again; I am not going until late April. Bonny's joke department has gone through some changes: The jokes are now typed up & now she pauses before the punch line for dramatic effect.

Derek W. provides a lot of her jokes & Edis also helps out. What happened to Court 2? There was not the usual mad rush; in fact the first four had not played first up on Court 2 before.

Too wet for Caro to play golf so she & John arrived early. John's bowls Season is over so he is available to make SCURRILOUS [my favourite word] remarks about Bruce TRYING to run the Shootout. John starts pennant this week but Clem was the star last week, he won all his matches. Cathy & Alan are a very interesting new team.

Maureen, Madge & Patsy gave me some coaching, not sure about Patsy's rule, ask her about it.

No problems with Trish & Kaye, Kaye had a day off & there no glasses worn so detective McMahan worked out it was Trish 1; another problem has been solved Ed with the beard is not Des.

Bruce does a lot of work for us now he has a new job: Parking Supervisor & don't we need some supervision after two vehicles took up six parking bays.

Keep up the good work Claire, more attendances plus you made a Shootout final.

George is a worry, a late arrival & not much game time but he did a good job serving the Tim Tams.

Not much interest shown in the Albury trip.

How will Tony be on Friday? Another Thursday trip to Bendigo & a counter lunch with his three brothers.

Tony McMahan. 28/2/2013.
