

THE CHAMPIONSHIP PENNANT BATTLE. (2009)

The Coburg Table Tennis Club is holding it's Premier Pennant,
Consisting of 12 Super Stars, competing to be the No. 1 tenant.
They will all play very seriously, doing their utmost to take out a win,
With the only lady amongst them, who goes by the name of Kim.
Two entrants are Trent and Craig Carter, both outstanding in this team,
But they will have to battle very hard, to hold onto their long-term dream.
Be Phu Huynh will be in there, as will the (Mustang) Michael Huang,
So you can see by the names I have mentioned, a quite formidable gang.
A few more to be trying their hearts out, Cliff Lynch, Duncan Tu, and Hai Truong,
All knowing that their best is needed, if their form is to stay right on song.
Earn Chew, William Byron and Jim Kilderry, will also be trying their best,
And they, like all others involved, know that this is the really big test.
My thoughts will be out there with you, with not a favorite fixed in mind,
Simply admiring your dedication, and the effort imbued in your kind.

P.S. The very best to all contestants, but the winning is up to you.

Kevin F. Mc Cuskey (29 – 7 – 2009)
