

The Keen Agers Theme Song

(To The Tune Of Mc Namara's Band)

We are the mighty Keenagers of table tennis fame,
We keep our health and fitness up, by playing our favorite game
But when we first got started, we could rarely hit the ball,
But now with more experience, that's not a problem at all.
We hit and smash and sometimes crash, to us that's simply fun,
And when we're having a serious game, we're always on the run.
We play against each other, all of us are out to win,
But if we are the losers, we can always manage a grin.
For that's the type of game we play, which bonds us all as friends,
That's the way we oldies are, all games have happy ends.
So now it's time to say goodbye, to all our new found mates,
Looking forward to meeting once again, on – all - our – future - dates.
