Endorsed By: Coburg Table Tennis Club Inc committee

Purpose

This policy was written to demonstrate the strong commitment of the management, staff and volunteers of the *Coburg Table Tennis Club Inc* (**the Club**) to child safety and to provide an outline of the policies and practices the Club has developed to keep everyone safe from any harm, including abuse.

Commitment to Child Safety

All children who are a part of the Club have a right to feel and be safe. The welfare of the children in our care will always be our first priority and the Club has a zero tolerance to child abuse. The Club aims to create a child safe and child friendly environment where children feel safe and have fun and the Club's activities are always carried out in the best interests of the children.

Application of this Policy

This policy was developed by the Club and in collaboration with staff and volunteers.

This policy applies to all individuals involved in our organisation (paid and volunteer) including,

but not limited to:

Administrators

Coaches

Officials

Participants

Parents

Spectators.

All of the people to which this policy applies have a role and responsibility in relation to child

protection. They must all:

• understand the indicators and risks of child abuse;

appropriately act on any concerns raised by children; and

understand and follow all applicable laws in relation to the protection of children and

reporting or management of child safety concerns.

Child Abuse

Child abuse can take a broad range of forms including physical abuse, sexual abuse, emotional

or psychological abuse and neglect. People to whom this policy applies need to be aware that

child abuse can occur whenever there is actual or potential harm to a child, and these are

circumstances that the Club is committed to reducing the risk of occurrence.

Children's Rights to Safety and Participation

The Club encourages children to express their views about their safety. We listen to their

suggestions, especially on matters that directly affect them. We actively encourage all children

who use our services to 'have a say' about things that are important to them.

We teach children about what they can do if they feel unsafe. We listen to and act on any

concerns that children, or their parents, raise with us.

Valuing Diversity

We value diversity and do not tolerate any discriminatory practices. To achieve this, we:

promote the cultural safety, participation and empowerment of Aboriginal children

and their families;

promote the cultural safety, participation and empowerment of children from

culturally and/or linguistically diverse backgrounds and their families;

welcome children with a disability and their families and act to promote their

participation; and

• seek appropriate staff from diverse cultural backgrounds.

Recruiting staff and volunteers

The Club takes the following steps to ensure best practice standards in the recruitment and

screening of staff and volunteers:

• Interview and conduct referee checks on all staff and volunteers

Require police checks and Working with Children Checks for relevant positions.

Our commitment to Child Safety and our screening requirements are included in all

advertisements and as part of the induction process for new staff or volunteers.

Supporting staff and volunteers

The Club seeks to attract and retain the best staff and volunteers. We provide support and

supervision so people feel valued, respected and fairly treated. We have developed a Code of

Conduct to provide guidance to our staff and volunteers, all of whom receive training on the

requirements of the Code.

Reporting a child safety concern or complaint

The Club has appointed *Charles Stiles* as Child Safety Persons with the specific responsibility

for responding to any complaints made by staff, volunteers, parents or children. Charles can

be contacted at charlesbstiles@hotmail.com.

Risk Management

We recognise the importance of a risk management approach to minimising the potential for

child abuse or harm to occur and use this to inform our policy, procedures and activity

planning. In addition to general occupational health and safety risks, we proactively manage

risks of abuse to our children. To reduce the risk of child abuse occurring, adults to whom this

policy applies should avoid direct, unsupervised contact with children. For example, this

should be a consideration when:

using change room facilities;

using accommodation or overnight stays;

travel; or

physical contact when coaching or managing children.

Reviewing this policy

This policy will be reviewed every two years and we undertake to seek views, comments and

suggestions from children, parents, carers, staff and volunteers involved in the Club.
